HANDY MAN No job too small. 231-215-5839.

ATTENTION: NOT long ago we walked in and helped a local team win, it was the right thing to do. They deserved to win. We accomplished what we set out to do. My intent then was to make my exit but, I stayed around to help as needed. Recently a small group of people came to me for help, not asking for much just a little noise abatement. There was no self-interest or hidden agenda on my part, I chose to speak out for them. Of course, the majority won. And it was questioned if this small group even existed because they chose to remain anonymous, which is their right. The people in this group are good people and liked by so many. They are upright citizens. One is a veteran who fought for our country. It was then I realized I can't be effective around self-interest groups or hidden agenda. It would be a waste of my time. From now on our efforts will be focused on helping others on a one-to-one basis for the betterment of our community. Everyone matters.
